

HALLBJÖRNER et al.
Appl. No. to be assigned
January 5, 2004

REMARKS

Amendments have been made to the specification and claims. Claims 1-9 are cancelled having been allowed in the parent application. The amendments to patentably distinct claims 9-12 are not narrowing amendments and do not surrender originally claimed subject matter. Favorable examination is respectfully requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.
